

Conservator & Assistant Registrar Textile Museum of Canada

REPORTS TO: Senior Curator & Manager of Collection

POSITION TYPE: Permanent Full Time

ESTIMATED START DATE: April 2024

The Conservator & Assistant Registrar is responsible for meeting the Museum's preservation needs for all collection and loan objects. Reporting to the Senior Curator and Manager of Collection, the role involves caring for the material integrity and intangible value of objects in the collection storage, on display, and on loan. The Conservator has up-to-date practical and theoretical expertise in all areas of treatment, handling, storage, and display techniques which are essential to the high standards demonstrated by the Museum as a whole.

JOB RESPONSIBILITIES:

Conservation

- Determine, design, document and execute interventive conservation treatment where appropriate. Consults with community members and/or obtains authorization for specific conservation treatments from community custodian/ Manager of Collection, as appropriate.
- Oversight and improvement of core operational systems and tools, such as object documentation forms and procedures, object record filing systems.
- Oversees the operations and maintenance of the conservation workplace, including the observance of health and safety standards.
- Determine and provide guidance regarding preventive conservation and preservation measures, including issues relating to access, handling, housing, storage, environmental control, mould and pest control, object installation and de-installation, exhibition, packing, and transit.
- Work with lenders, Project Lead(s), and technicians on using appropriate casework materials, developing appropriate hanging mechanisms and processes for mounting objects for display, including the fabrication of mannequins for elements of clothing.
- Provides guidance and specific instruction to a variety of staff involved in acquiring, storing, housing, displaying, and transporting objects; and to those charged with designing and maintaining building environmental controls.
- Monitor all environmental levels (light, humidity, temperature, security) in the Museum galleries and storage; and keep environmental monitoring software up to date.
- Research and implement storage upgrade solutions.
- Participate in training opportunities sharing expertise with Museum professionals and others both in the Museum and at off-site locations
- Supervises all activities of conservation interns, volunteers, and contract conservators/mount-makers.

- Develops and carries out emergency preparedness planning and response, in collaboration with other staff (curatorial, building maintenance, etc.).
- Assist in the general administration of the department, including ordering materials and equipment, general laboratory duties and other work, as necessary.
- Adhere to the ethical standards of conservation practice as outlined in the Code of Ethics and Guidance for Practice of the CAC and CAPC.

Registration

- Assess and document the materials and condition of collection and loan objects, including written descriptions, photographic recording before, during and after, and instrumental analysis, using the Museum's collection management system, Mimsy.
- Initiate post-acquisition procedures: arranging initial location; accessioning; applying object numbers; cataloguing and conservation assessments before movement to permanent storage.
- Assist with arranging loan agreements, shipping, insurance and customs paperwork for in-house touring exhibitions, and incoming exhibitions, artwork, and object loans.
- Assist with preparation of objects for loan, including condition reporting, packing, and arrange shipping as needed.
- Work with Manager of Collection on outgoing loans reviewing object request list; providing a budget and timeline for implementing treatment; reviewing facility reports and casework

Exhibitions Support

- Assess textile objects proposed for display for appropriate treatment, mounting, and display requirements
- Oversee lighting set-up in exhibitions and record light levels in the galleries in Mimsy.
- Supervise objects displayed in museum galleries, including conducting cleaning and security checks, and maintaining accurate records.
- Oversee installation schedules, including organising and scheduling contractors for exhibition work.

Other Duties

- Undertake such other duties commensurate with the level and scope of the position that may be required from time to time, as agreed with your supervisor.
- Work to further the goals and objectives of the Museum and participate actively in the life of the institution. Act respectfully, accountably, and generously towards other staff, volunteers, and the public.

EXPERIENCE REQUIRED:

- Master's degree or Graduate Diploma in conservation, and a minimum of three years of relevant experience.
- Working knowledge of the Code of Ethics and Guidance for Practice of the Canadian Association for Conservation of Cultural Property (CAC) and of the Canadian Association of Professional Conservators (CAPC)
- Proven ability to work with three dimensional objects; hand sewing skills are essential
- Experience planning and managing projects to ensure that deadlines are met and provide clear, detailed and accurate records of all treatments undertaken in accordance with professional conservation standards
- Strong organizational and research skills, as well as the ability to work independently and collaboratively.
- A commitment to working with source communities to determine best practices for care, storage and display; experience working with Indigenous ancestral belongings in particular is a very strong asset
- Experience with Word, Excel, Adobe Acrobat, MIMSY, web-based image databases and archives
- A specialization in textiles and preventive conservation is an asset.
- Must be physically capable of lifting to 35 lbs.; have experience and the ability to lift and handle art objects of various shapes and sizes.

COMPENSATION

1. Permanent Full-Time
2. Hiring Salary: \$60,000 per year
3. Annual employee performance review with cost of living and merit consideration upon successful completion of annual objectives set each fiscal with your Supervisor.
4. A comprehensive health and dental benefits package that begins on your first day
5. Three weeks of paid vacation
6. 10 paid sick and personal days
7. Work from Home days as approved by Supervisor.
8. Attractions Ontario Benefits
9. Toronto Attractions Council Benefits

Candidates are encouraged to self-identify in their cover letters.

In accordance with the Ontario Human Rights, Accessibility for Ontarians with Disabilities Act a request for accommodation will be considered throughout the hiring process. The Textile Museum of Canada is an Equal Opportunity Employer.

ABOUT THE MUSEUM:

Established in 1975, the Textile Museum of Canada has established itself as a vibrant cultural space promoting community engagement through our programs and exhibitions. TMC is the only national museum in Canada exclusively dedicated to the study and presentation of textiles from cultures around the world. This universality of textiles is at the heart of our work; it provides the opportunity to engage communities around us, and national and international visitors. Through our public programs, delivered in person and online, we build on a long history of connecting creativity, cultures, and human histories through everyday materials.
